PIPE CUTTER

We offer different types of plastic and metal pipe cutting pliers that are able to easily cut our pipes cleanly and precisely.

FEATURES

Our various sized **pipe cutters** are great for cutting most of our pipes cleanly and accurately. We offer a wide range of pliers of various sizes, with the smallest pliers capable of cutting tubes up to 12mm in size, and large tube cutting pliers capable of easily cutting tubes up to 26mm outside diameter. We also offer our pliers in **two materials**: we have **plastic pliers, light and comfortable to use, and metal pliers, very strong and durable**. The MCTL series interchangeable blade is very strong and easy to remove in case you want to change.

SECTORS

FOOD **AUTOMOTIVE** **INDUSTRIAL**
